# MRC HALL OF FAME 1989-1993

BY REBECCA KUCHARSKI

I've only been keeping tabs on the Hall of Fame/Honor Roll since 1991. During this time, the HOF/HR Committee, which includes Joan Klem and Wally O'Brien, has made a couple of changes on the point schedule. These changes included raising the number of points awarded for an AKC championship from one to two, awarding points for either SchH or IPO titles (but not both), and (the big one) creating a point schedule for AKC Herding titles.

This year's specialty dinner will see one more change—new Hall of Fame certificates. As of this writing, the Committee hasn't quite finalized which certificate will be used. However, which ever certificate is settled on promises to be beautiful—especially after Peggy Richards does her "computer magic" with the dogs' and owners' names.
